COLLECTION GUIDE - SUMMER 24

# TREND INSPIRATION

---

Step into the radiant embrace of summer with our latest collection, where tailored linen blends seamlessly with the collection's color palette, inspired by the sunsets of the Sahara. From smart office ensembles to the most enchanting dinner party outfits, the collection ensures you're always dressed to impress.

We see lots of graphic and ethnic prints, where tradition meets contemporary chic. With a seductive focus on necklines, our off-the-shoulder pieces and bold cutouts are sure to turn heads. This season has a focus on separate sets, consisting of cropped tops paired with skirts, that bring effortless grace to every movement.
